Re: MRS. MARY VOGT.

Received the name of Mrs. Blust, 101 Richardson St., who might be able to give some information regarding the whereabouts of Mary Vogt, who saw two automobiles speedin the neighborhood of the Phillips Farm on the night of the murder.

Mrs. Blust was at home when operative called on two different occasions. Was informed that Mrs. Blust was with Mrs. Harkins on Eastern Ave. the night of the murders and saw Mrs. Mills walking out Eastern Ave. towards De Russey's Lane and a few minutes later saw Dr. Hall go in the same direction.

Operative will make another effort to see Mrs. Blust.

Respectfully submitted:
